

Miami County Highway Department

Superintendent Requisition

"Approved by State Board of Accounts for *MCHD 1988"

To the auditor of MIAMI COUNTY, Indiana

The following tools, implements, machinery, supplies, materials and equipment are hereby requisitioned for maintenance and repair of county roads and bridges under my supervision.

Item # 1

Maintenance Stone or Gravel, Washed Gravel, # 24 Sand

Bids accepted on or before December 07, 2015 by 9:00 a.m.; awarded on
December 14, 2014.

100,000 tonnages more or less as required for the year of 2016.

Bids for maintenance gravel may be either banked or dipped gravel, crushed stone, or washed gravel.

All stone, gravel and sand shall meet Indiana State Highway specifications.

Pit run gravel must be screened over 1" grizzly bars.

Bidders must show title to gravel or file a satisfactory lease with bid.

Bidders are required to designate location of gravel or stone, which must be accessible at a convenient location.

Crushed stone or crushed gravel shall be bid in quantities not less than the following:

- #53's & #73's - 25,000 tons or equivalent yardage
- All other sizes - 50,000 tons or equivalent yardage
- #23 Coarse - washed sand for ice control - 4,000 Tons
- See complete list of materials to be quoted on form **A**

Supplier must be able to scale material or produce document pile measurement.

State price per ton of washed and unwashed materials on the enclosed form.

Signed the day of: _____

Mike Sisson
Superintendent
